(b) Beneficiaries. All policies shall be for the benefit of unit owners and their mortgagees as their interests may appear.

(h) Insurance Review. The Board of Directors shall conduct an annual insurance review which shall include a replacement cost appraisal, without respect to depreciation, of all improvements on the property (with the exception of improvements and betterments made by the respective owner at their expense) by one or more qualified building cost estimators.

13.02 *No Partition.* There shall be no judicial partition of the property or any part thereof, nor shall the owners or any person acquiring any interest in the property or any part thereof seek any such judicial partition until the happening of the conditions set forth in this declaration in the case of damage or destruction or unless the property has been removed from the provisions of the Act.

13.03 *Insurance Trustee.*

(a) Trustee. When Trustee is referred to herein, the same shall mean the Board of Directors, unless the Board of Directors has named a Trustee. All insurance policies purchased by and in the name of the

Association shall provide that the proceeds covering property losses shall be paid to the Board of Directors of the Association and/or the Trustee, if such Trustee has been appointed. If a Trustee resigns or is unable or unwilling to serve at any time, a majority vote of the Board of Directors shall appoint a successor Trustee. Immediately upon the receipt by the Association of such proceeds, the Association shall endorse the instrument by means of which such proceeds are paid and deliver or cause to be delivered such instrument to the Insurance Trustee.

(b) Duties of Trustees. The Insurance Trustee (other than the Board of Directors) shall not be liable for payment of premiums, for the of such repairs or reconstruction as hereinafter provided. Any proceeds remaining after defraying such costs shall be disbursed to the beneficial owners, remittance to unit owners and their mortgagees being payable jointly to them. This is a covenant for the benefit of any mortgagee of a unit and may be enforced by such mortgagee.

(c) If it is determined as provided herein that the damage or destruction for which the proceeds are paid shall not be repaired or reconstructed, such proceeds shall be disbursed to such persons as herein provided.

(d) Any and all disbursements of funds, whether such funds consist of insurance proceeds, special assessments, sales proceeds or any combination thereof, to be made by the Insurance Trustee for any purpose whatsoever shall be made pursuant to and in accordance with a certificate of the Association signed by the President or Vice President and attested by the Secretary setting forth whether or not the damage or destruction was to the common area for one or more units or both. If the damage or destruction is not to be repaired or reconstructed, said certificate shall direct that disbursements be made by the Insurance Trustee as by law provided in accordance with the terms of this section.

(e) If the damage or destruction is to the common area and is to be repaired or reconstructed, said Insurance Trustee may require the signature of any or all mortgagees known to said Insurance Trustee as it may in its sole discretion require and said certificate may direct that disbursements be made by the Insurance Trustee to those persons and in such amounts as may be specified therein or, in the alternative, said certificate may authorize the Insurance Trustee to make disbursements upon and pursuant to such written authorization as may be submitted to it by an architect or other persons named herein as having been employed by the Association to supervise such repairs or reconstruction.

(f) If the damage or destruction is to one or more units and is to be repaired or reconstructed, said Insurance Trustee may require the signature of any or all the mortgagees on such unit or units as the Trustee in its sole discretion may require, and said certificate may direct that disbursements be made by the Insurance Trustee to those persons and in such amounts as may be specified herein, or, in the alternative, said certificate may authorize the Insurance Trustee to make disbursements upon and pursuant to such written authorization as may be submitted to it by an architect or other persons named therein as having been employed by the Association to supervise such repairs or reconstruction.

(g) The Insurance Trustee (other than the Board of Directors) shall not incur any liability to any owner, mortgagee, or other person for any disbursements made by it pursuant to and in accordance with any such certificates or written authorizations. Nor shall the Insurance Trustee incur any liabilities to any owner or mortgagee by reasons of disbursements at the order of any court.

13.04 *Damage and Destruction.*

(a) Loss Estimates. Immediately after the damage or destruction by fire or other casualty to all or any part of the condominium property covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction

of the damaged or destroyed property. Repair or reconstruction, as used in this paragraph, means repairing or restoring the property to substantially the same condition in which it existed prior to the fire or other casualty with each unit and the common area having the same vertical and horizontal boundaries as before.

(b) Determination to Repair or Reconstruction. Any such damage or destruction shall be repaired or reconstructed unless at least eighty (80%) percent of the total votes of the Association shall decide within sixty (60) days after the casualty, not to repair or reconstruct. If, for any reason, the amount of the insurance proceeds to be paid as a result of such damage or destruction or if reliable and detailed estimates of the cost of repair or reconstruction are not made available to the Association within said period of sixty (60) days after the casualty, then such period shall be extended until such information shall be made available to the Association if such proceeds are paid; provided, however, that said period of time in no event exceed ninety (90) days after the casualty. In the determination of the question of whether or not to repair or reconstruct, the mortgagee shall not have the right to participate in the determination as to whether the damaged property or destroyed property shall be repaired or reconstructed except in the following cases: (a) a unit owner being in default under the terms of the mortgage, (b) damage or destruction of the units mortgaged, (c) the common elements, the limited common elements, or (d) damage or destruction to more than fifty (50%) percent of the units. In such event, the mortgagee or mortgagees shall have an irrevocable proxy (so long as said mortgages shall continue as the mortgagee) to jointly exercise the vote of the unit owner in the determination of whether the damage or destruction shall be repaired or reconstructed. Unless written notice specifying the right to exercise the proxy as set forth above has been given to the Secretary of the Association, the owners are deemed and conclusively presumed to be authorized to vote on such matters. Should the Association determine in the manner described above that the damage or destruction shall not be repaired or reconstructed, then and in that event, (i) the property shall be deemed to be owned in common by the unit owners; (ii) the undivided interest in the property owned in common which shall appertain to each unit owner shall be the percentage of undivided interest previously owned by such owner in the common area; (iii) any liens affecting any of the units shall be deemed to be transferred in accordance with the existing priorities to the percentage of undivided interest of the unit owner in the property; and (iv) the property shall be subject to an action for partition at the suit of any unit owner, in which event the net proceeds of sale shall be paid to the Insurance Trustee. Said net proceeds of sale, together with the net proceeds of the insurance on the property, shall be considered as one fund, which, after payment of all expenses of the Insurance Trustee, shall be divided among all of the unit owners in a percentage equal to the percentage of undivided interest owned by each owner in the property, after first paying out the respective share of the unit owner, to the extent sufficient for the purpose, all liens on the undivided interest in the property owned by each unit owner. Prior to any disbursements to unit owners, the holder of a first mortgage on any unit shall receive payment in full of the debt secured by such mortgage to the extent that such debt does not exceed an amount equal to (i) the insurance proceeds paid with respect to the unit covered by such mortgage; plus (ii) any sums which might otherwise be due the owner of such unit from the proceeds of the sale of the entire property. Disbursements to owners shall be made as provided for herein.

13.05 *Repair and Reconstruction.* If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall levy a special assessment against all owners in the condominium association, and against all owners in the case of damages to the common area, in sufficient amounts to provide funds to pay such excess cost of repair or reconstruction. Such assessments on account of damage to the common area shall be in proportion to the owners' share in the common area. Any and all sums paid to the Association

FILED

under and by virtue of those special assessments provided for above to defray the estimated excess cost of repair or reconstruction shall be deposited by the Association with the Insurance Trustee. The proceeds from insurance and assessments, if any, received by the Insurance Trustee, when the damage or destruction is to be repaired or reconstructed, shall be disbursed as provided for herein.

13.06 *Minor Repairs.* Notwithstanding the foregoing provisions, in the event of damage by fire or other casualty to either the common area or a single unit covered by insurance written in the name of the Association and if the insurance proceeds initially offered or paid therefor are less than Two Thousand Dollars ($2,000.00) and the estimated cost of repairing such damage is less than twice the amount of such proceeds, then the instrument by means of which such proceeds are paid shall be endorsed by the Insurance Trustee and delivered to the Association and the damage shall be repaired in accordance with the following provisions:

(a) Common Area. If the damage is confined to the common area, such insurance proceeds shall be used by the Association to defray the cost of such repairs. If the cost of such repairs is less than the amount of such insurance proceeds, the excess shall be retained by the Association or its duly authorized agent and placed in the reserve maintenance fund or such other fund as may be established for the purpose of providing for the maintenance, repair and replacement of the common area. If the cost of such repair exceeds the amount of such insurance proceeds, such excess may be provided either by means of a special assessment levied by the Board of Directors against all owners in proportion to each owner's share in the common area or by means of an appropriation from the reserve maintenance fund or such other fund as may be established for the purpose of providing for the maintenance, repair and replacement of the common area as the Board of Directors, in the exercise of its sole discretion, may determine.

(b) Single Units. If the damage is confined to a single unit, such insurance proceeds shall be used by the Association to defray the cost of such repairs. If the cost of such repairs is less than the amount of such insurance proceeds, the excess shall be paid jointly to the owner and his mortgagee, if any, who may use the proceeds as they alone may determine. If the cost of such repairs exceeds the amount of such insurance proceeds, such excess shall be provided by means of a special assessment levied by the Board of Directors against the owner of the damaged unit. Payments for repairs provided for in this subsection shall be made only after all such repairs have been completed and approved by the Association, the owner and his mortgagee, if any, which approval shall not be unreasonably withheld.

Article 14. Association of Unit Owners. The operation of the condominium shall be an association known as the MAGNOLIA COURT HOMEOWNERS' ASSOCIATION, INC. and, as above defined, which shall be organized and operated pursuant to the Act, this Declaration, and the Bylaws. Each unit owner shall be a member of the Association. All funds and property acquired by the Association shall be held by the Board in trust for the members in accordance with the provisions of this declaration and the Act. An equal vote shall be allocated to each unit.

Article 15. Board of Directors.

15.01 The governing board of MAGNOLIA COURT HOMEOWNERS' ASSOCIATION, INC. shall be the Board of Directors of MAGNOLIA COURT HOMEOWNERS' ASSOCIATION, INC., a nonprofit corporation, which shall manage and maintain the property and business of the project pursuant to the provisions of this Declaration, its Articles of Incorporation and Bylaws attached hereto.

15.02 Until a date seven (7) years from the first conveyance to a unit purchaser, or 120 days after the date by which seventy five (75%) percent of the units and all phases submitted to the condominium form of ownership have been conveyed to unit purchasers, whichever is earlier, all rights, duties, and functions of the Board of Directors shall, at Declarant's option, be exercised by Declarant. Declarant shall

Article 16. Common Expenses.

16.01 *Budget.* At the first meeting of the Board, and thereafter within thirty (30) days prior to the date of each annual meeting of the Association, the Board shall prepare a budget for the maintenance and operation of the condominium property for the succeeding calendar year, and shall estimate the amount of common expenses to be paid for such year. The amount of common expenses as determined shall be allocated and assessed by the Board among the unit owners in proportion to their respective percentages of ownership of the common elements as provided herein.

16.02. *Common Expenses.* The common expenses shall include, but not be limited to, the following:

(1) Fees and expenses of managing and administering the Association.

(2) Expenses of maintaining, preserving, operating, repairing or replacing the condominium property.

(3) Expenses of utility services for the common property, including water, gas, electricity and sewer.

(4) The cost of all insurance premiums on all policies of insurance obtained by the Board pursuant to this declaration.

(5) All rental and other payments required to be made for any property which is hereafter leased or rented for the use and benefit of the Association.

(6) Amounts determined by the Board to be reasonably required as working capital of the Association, for a general operation reserve, for a reserve fund for replacements, and for deficiencies arising from unpaid assessments.

(7) Special assessments for capital improvements and working capital as provided for below.

16.03 *Assessment.* The Board shall promptly advise each unit owner in writing of the estimated amount of common expenses payable by him as so determined by the Board, and shall furnish him with a copy of the budget on which such estimate is based, and upon written request of owner or mortgagee shall furnish a copy of his mortgage. The amount so assessed by the Board against each unit for each calendar year shall be a lien against the unit owned by such owner as of January 1 of such year. If said estimated amount proves inadequate for any such year, including non-payment of any owner's assessment, the Board may, at any time, levy a special assessment which shall be assessed against the owners in proportion to their respective percentage of ownership of the common elements. Any such special assessment shall be a lien against the residence units as of the date specified in the notice of such special assessment. Each owner shall pay to the Association Treasurer such expenses in equal monthly installments on or before the first day of each month or at such other time and in such other manner as the Board shall designate from time to time.

16.04 *Special Assessments for Capital Improvements, Reserves and Working Capital.* In addition to the assessments provided for above, the Association may levy special assessments for the purpose of paying, in whole or in part, the cost of construction of any new improvements or reconstruction or replacement of any existing improvement within the common elements, including the costs of any fixtures or personal property relating thereto, and the Association may levy special assessments for an adequate reserve fund for the periodic maintenance, repair and replacement of the common elements which funds shall be maintained out of regular assessments or common expenses; provided that such assessment shall

have been approved by the vote of two-thirds of the owners voting at a meeting duly called for this purpose, written notice of which shall have been given in the manner specified in the Bylaws of the Association. For purposes of said special assessments for capital improvements, any mortgagee or mortgagees shall have an irrevocable proxy (so long as said mortgagee shall continue as the mortgagee) to jointly exercise the vote of the unit owner and shall be given notice for same as a unit owner. Unless written notice specifying the right to exercise the proxy has been given to the secretary of the Association, the owners are deemed and conclusively presumed to be authorized to vote on such matter. Additionally, a working capital fund must be established for the initial months of the project operations equal to at least a two-month estimated common area charge for each unit.

16.05 *Collection.* The Board shall take prompt action to collect any common expenses due from any unit owner which remain unpaid for more than ten (10) days from the due day for payment thereof. In the event of default by any unit owner in paying the common expenses as determined by the Board, such unit owner shall be obligated to pay interest at the legal rate on such common expenses from the due date thereof, together with all expenses, including attorney's fees, incurred by the Board in any proceeding brought to collect such unpaid common expenses. The Board shall have the right and duty to attempt to recover such common expenses, together with interest thereon, and the expenses of the proceedings, including attorney's fees, in an action to recover the same brought against such unit owner, or by foreclosure of the lien granted by the Act on the unit of such owner. The common expenses assessed against any unit with interest, cost and a reasonable attorney's fee shall be a lien upon such unit in accordance with the Act. Common expenses as used herein shall mean expenditures made or liabilities incurred by or on behalf of the Association together with any assessment for the creation and maintenance of reserves.

16.06. All sums lawfully assessed by the Association against any unit owner or condominium unit, whether for the share of the common expenses pertaining to that unit, for fines, or otherwise, and all reasonable charges made to any unit owner or condominium unit for materials furnished or services rendered by the Association at the owner's request to or on behalf of the unit owner or condominium unit, shall, from the time the same become due and payable, be thee personal obligation of the unit owner and constitute a lien in favor of the association on the condominium unit prior and superior to all other liens whatsoever except: (i) lines for ad valorem taxes on the condominium unit; (ii) the lien of any first priority mortgage covering the unit and the lien of any mortgage recorded prior to the recording of the Declaration; and (iii) the lien of any secondary purchase money mortgage covering the unit, provided that neither the grantee nor any successor grantee on the mortgage is the seller of the unit. Each such assessment, together with interest, cost and attorney's fee shall also be the personal obligation of the person who is the owner of such unit at the time the assessment fell due. Personal obligation for delinquent assessments shall not pass to successors in title, or interest unless assumed by them, or required by the Act.

Article 17. No Right of First Refusal. The right of a unit owner to sell, transfer or otherwise convey his or her unit in a condominium shall not be subject to any right or first refusal or similar restriction.

Article 18. Rights of Action. MAGNOLIA COURT HOMEOWNERS' ASSOCIATION, INC. and any aggrieved unit owner shall be granted and is hereby granted a right of action against unit owners for failure to comply with the provisions of the Declaration, Bylaws, or amendments thereto, or with the decisions of MAGNOLIA COURT HOMEOWNERS' ASSOCIATION, INC. which are made pursuant to the authority granted to the MAGNOLIA COURT HOMEOWNERS' ASSOCIATION, INC. in such documents

All notices delivered by mail shall be deemed to have been given as of the date and hour of the postmark thereon. 5.15 The fiscal year shall be determined by the Board of Directors.

5.16 The membership may ratify actions taken by the Board of Directors subsequent to such actions and thereby give such action the full force and effect as though approved in advance.

6. Common Expenses; Assessments

6.1 All assessments shall be made and collected in accordance with this paragraph and the provisions of paragraph 7 hereof.

6.2 Each Owner shall be liable for a proportionate share of the common expenses, such shares being the same as the percentage of undivided interest in the common areas and facilities, appurtenant to the unit owned by the unit owner as set forth in the Declaration.

6.3 Within thirty (30) days prior to the annual meeting of the association, the Board of Directors shall estimate the common expenses and capital contributions for the following year. The estimated capital contributions may include such amounts as the Board of Directors may deem proper for general working capital for the general operating reserve, for a reserve fund for replacements and major maintenance and shall take into account any expected income, surplus, or deficit in the common expenses for any prior year. The estimated capital contributions and common expenses shall be presented at the annual meeting and thereafter shall be assessed on a monthly basis to the unit owners in proportion to their percentage of undivided interest in the common areas and facilities as set forth in the Declaration. If the estimated common expenses prove inadequate for any reason, including nonpayment of any unit owner's assessments, the Board of Directors may, by resolution duly adopted, make additional assessments, which shall be assessed to the unit owners in the same manner as the estimated common expenses. Each unit owner shall be obligated to pay to the Board of Directors assessments made pursuant to this paragraph on or before the first day of each month, or in such other reasonable manner as the Board of Directors shall designate, notwithstanding the above, the developer shall pay assessments only on completed units owned by the developer. The funds received by the Board of Directors from assessments shall be kept in either the capital account or in the common expense fund and shall be expended by the Board of Directors only in accordance with the provisions of the Act, the Declaration, and these By-laws.

6.4 The failure by the Board of Directors before the expiration of any year to estimate the common expenses as required herein shall not be deemed a waiver or modification in any respect of the provisions of the Declaration or these By-laws, or a release of the unit owner from the obligation to pay any past or future assessments, and the estimated common expenses fixed for the previous and current year shall continue until a new estimate is fixed.

6.5 No unit owner may exempt himself from liability for common expenses by waiver of the use or enjoyment of any of the common areas and facilities or by abandonment of his unit.

6.6 The treasurer shall keep detailed records of all receipts and expenditures, including expenditures affecting the common areas and facilities, specifying and itemizing the maintenance, repair, and replacement expenses of the common areas and facilities and any other expenses incurred. In accordance with the actions of the Board of Directors assessing common expenses against the units and unit owners, the treasurer shall keep an accurate record of such assessments, and of the payments thereof by each unit owner. The books and accounts of the association shall be kept in accordance with generally accepted accounting procedures under the direction of the treasurer. At the close of each fiscal year, the books and records of the Board of Directors shall be audited by a certified public accountant approved by the association. The books and accounts of the association shall be available for inspection at the office of the association by any unit owner or his authorized representative during the regular business hours.

6.7 There shall be no single improvement exceeding the sum of $1,000.00 made by the Board of Directors without the same having been first voted on and approved by two-thirds (2/3) majority of those present in person or by proxy of the association at a meeting duly called for that purpose. The foregoing shall not apply in connection with damage or destruction referred to in Article 13 of the Declaration or to such structural alterations, capital additions to, or capital improvements of areas and facilities or the property.

6.8 Amendments to this paragraph 6 shall be effective only upon unanimous written consent of the unit owners and their mortgagees.

7. Collection of Assessments

7.1 All common expense assessments shall be a separate, distinct, and personal liability of the owner of the unit at the time each assessment is made. The Board of Directors shall have the rights and remedies contained in the Act, the Declaration, the Articles of Incorporation, and these By-laws to enforce the collection of assessments for common expenses.

7.2 Any person who shall have entered into a written agreement to purchase a unit shall be entitled to obtain a written statement from the treasurer setting forth the amount of unpaid assessments charged against the unit and its Owners, and if such statement does not reveal the full amount of the unpaid assessments as of the date it is rendered, neither the purchaser nor the unit shall be liable for the payment of an amount in excess of the unpaid assessments shown thereon, provided that the former unit owner grantor shall remain so liable. Any such excess which cannot be promptly collected from the former unit owner grantor shall be reassessed by the Board of Directors as a common expense to be collected from all unit owners, including without limitation the purchaser of the unit, his successors and assigns. The new unit owner shall, and the former unit owner shall not, be liable for any assessments made after the date of transfer of title to a unit, even though the common expenses for the expenses incurred or the advances made by the Board of Directors for which the assessment is made related in whole or in part to any period prior to that date.

7.3 In the event that title to a unit is transferred at a sheriff's sale pursuant to execution upon any lien against the unit, the Board of Directors shall give notice in writing to the sheriff of any unpaid assessments for common expenses which are a lien against the unit, and for any expenses of or advances by the Board of Directors which have not theretofore been reduced to a lien, which shall be paid out of the proceeds of the

sale prior to the distribution of any balance to the former unit owner against whom the execution was issued. The purchaser at such sheriff's sale and the unit involved shall not be liable for unpaid assessments for common expenses and for any expenses of or advances by the Board of Directors which became due prior to the sheriff's sale of the unit. Any such unpaid assessments which cannot be promptly collected from the former unit owner shall be reassessed by the Board of Directors as a common expense to be collected from all of the unit owners, including the purchaser who acquired title at the sheriff's sale, his successors and assigns. To protect its right to collect unpaid assessments for common expenses which are a lien against a unit, and for any expenses of and advances by the Board of Directors, the Board of Directors may on behalf of all the unit owners purchase the unit at sheriff's sale, provided such action is authorized by the affirmative vote of a majority of the members of the Board of Directors.

7.4 In addition to the statements issuable to purchasers of units, the Board of Directors shall provide a current statement of unpaid assessments for common expenses and for any expenses of and advances by the Board of Directors in respect of the unit, to the unit owner, to any person who shall have entered into a binding agreement to purchase the unit, and to any mortgagee on request at reasonable intervals.

7.5 In all cases where all or part of any assessments for common expenses and for any expenses of and advances by the Board of Directors cannot be promptly collected from the persons or entities liable therefor under the Act, the Declaration, the Articles of Incorporation, or these Bylaws, the Board of Directors shall reassess the same as a common expense, without prejudice to its rights of collection against such persons or entities.

7.6 Lien for unpaid assessments

7.6.1 All sums assessed to any unit pursuant to this section, together with interest thereon as provided herein, shall be secured by a lien on such unit in favor of the Board of Directors. Such lien shall be superior to all other liens and encumbrances on such unit, except only for: (a) valid tax and special assessment liens on the unit in favor of any governmental assessing authority; and (b) the lien of any first priority mortgage covering a unit or the lien of any secondary purchase money mortgage covering a unit or the lien of any mortgage recorded prior to the recording of the Declaration. All other lienors acquiring liens on any unit after the Declaration shall have been recorded shall be deemed to consent that such liens shall be inferior to future liens for assessments, as provided herein, whether or not such consent be specifically set forth in the instruments creating such liens.

7.6.2 To evidence a lien for sums assessed pursuant to this section, the Board of Directors may prepare a written notice of lien setting forth the amount of the assessment, the due date, the amount remaining unpaid, the name of the Owner of the unit, and a description of the unit. Such a notice shall be signed by such body and may be recorded in the Office of the Clerk of Superior Court of Liberty County, Georgia. No notice of lien shall be recorded until there is a delinquency in payment of the assessment. Such liens may be enforced by foreclosure by the Board of Directors in the same manner in which mortgages on real property may be foreclosed in Georgia, or as otherwise provided in the Act. In any such foreclosure, the Owner shall be required to pay the cost, and expenses of such proceeding, the cost and expenses of filing the notice of lien, and all reasonable attorney's fees. All such costs, expenses and fees shall be secured by the lien being foreclosed. The lien shall also secure, and the Owner shall also be required to pay to the Board of Directors, any assessments against the unit which shall become due during the period of foreclosure. The Board of Directors shall have the right and the power to bid an amount equal

to its then existing lien at the foreclosure sale or other legal sale to acquire, hold, convey, lease, rent, encumber, use and otherwise deal with the same as the Owner thereof.

7.6.3 A release of lien shall be executed by the Board of Directors and recorded in the Office of the Clerk of Superior Court of Liberty County, Georgia, upon payment of all sums and secured by a lien which has been made the subject of a recorded notice of lien.

7.6.4 Any encumbrancer holding a lien on a unit may pay but shall not be required to pay, any amounts secured by the lien created by this section, and upon such payments such encumbrancer shall be subrogated to all rights of the Board of Directors with respect to such lien, including priority.

7.6.5 The assessing body shall report to any encumbrancer of a unit any unpaid assessments remaining unpaid for longer than thirty (30) days after the same shall have become due, provided, however, that such encumbrancer first shall have furnished to the assessing body written notice of such encumbrance.

7.6.6 In any foreclosure of a lien for assessments, the unit owner subject to the lien shall be required to pay a reasonable rental for the unit, and the Board of Directors shall be entitled to the appointment of a receiver to collect the same.

7.7 Personal obligation assessments. The amount of any annual or special assessment against any unit shall be the personal obligation of the Owner thereof to the Board of Directors, as well as constitute as lien in favor of the association on the condominium unit. Suit to recover a money judgment for such personal obligation shall be maintainable by the Board of Directors without foreclosing or waiving the lien securing the same. No Owner may avoid or diminish any personal obligation by waiver of the use and enjoyment of any of the common areas or by abandonment of his unit.

7.8 In addition to and not limited by any other remedy provided for herein, the Board of Directors may restrict or deny the use and enjoyment of any common area or facility to any Declarant, his family, guests, or assigns, who is delinquent in the payment of any regular or special assessment.

7.9 If the unit owner shall, at any time, let or sublet his unit and shall default for a period of one month in the payment of assessments, the Board of Directors may, at its option, so long as such default shall continue, demand and receive from any tenant or subtenant of the Owner the rent due or becoming due, and the payment of such rent to the Board of Directors shall be sufficient payment and discharge of such tenant or subtenant and the Owner to the extent of the amount so paid.

7.10 Assessments and any installments thereof not paid on or before ten (10) days after the date when due shall bear interest at maximum rate permitted by law or at such rate of interest as may be set by the Board of Directors, whichever is less, from the date when due until paid. All payments on account shall be first applied to interest and then to the assessment payment first due.

8. Litigation

8.1 If any action is brought by one or more but less than all unit owners on behalf of the association and recovery is had, the plaintiff's expenses, including reasonable counsel's fees, shall be a common expense, provided, however, that if such action is brought against the unit owners or against the Board of Directors, the officers, employees, or agents thereof, in their capacities as such, with the result that the ultimate liability asserted would, if proved, be borne by all the unit owners, the plaintiff's expenses,

FILED

including counsel fees, shall not be charged to or borne by the other unit owners, as a common expense, or otherwise.

8.2 Complaints brought against the association, the Board of Directors, or the officers, employees, or agents thereof, in their respective capacities as such or the property as a whole, shall be directed to the Board of Directors, which shall promptly give written notice thereof to the unit owners and any mortgagees and shall be defended by the Board of Directors, and the unit owners end mortgagees shall have no right to participate other than through the Board of Directors.

9. Abatement and Restraint of Violations by Unit owners. The violation of any house rules or administrative rules or regulations adopted by the Board of Directors or the breach of any provision contained herein, or the breach of any provision of the Declaration, shall give the Board of Directors the right, in addition to any other rights set forth in these By-laws:

9.1 To enter the unit in which or as to which such violation or breach exists and to summarily abate and remove, at the expense of the defaulting unit owner, any structure, thing, or condition that may exist therein contrary to the intent and meaning of the provisions hereof, and the Board of Directors shall not thereby be deemed guilty in any manner of trespass; or

9.2 To enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach.

10. Special Committees. The Board of Directors by resolution may designate one or more special committees, each committee to consist of two (2) or more unit owners which, to the extent provided in said resolution, shall have and may exercise the powers set forth in said resolution. Such special committee or committees shall have such name or names as may be determined from time to time by the Board of Directors. Such special committees shall keep regular minutes of their proceedings and report the same to the Board of Directors when required. The members of such special committee or committees designated shall be appointed by the Board of Directors or the president. The Board of Directors or the president may appoint unit owners to fill vacancies on each of said special committees occasioned by death, resignation, removal, or inability to act for any extended period of time.

11. Membership and Voting. The members of the association shall be the fee Owners of the units. The Board of Directors shall maintain a list of Owners which shall be updated on a regular basis. Disputes over the membership list shall be resolved by reference to the Official Records of the Liberty County Clerk's Office. At any meeting of the Association of Unit owners, each unit owner, including declarant, either in person or by proxy, shall be entitled to the same number of votes as the percentage of undivided interest of the common areas and facilities assigned to his unit in the Declaration. If there is more than one unit owner with respect to a particular unit, any or all of such unit owners may attend any meeting of the association, but it shall be necessary for all such unit owners present to act unanimously in order to cast the votes pertaining to their unit. All votes may be cast either in person or by proxy. All proxies shall be in writing, and in the case of proxies for the annual meeting, they shall be delivered to the secretary at least five (5) days prior thereto. Any unit owner may at any time waive any notice required to be given under these By-laws, or by statute or otherwise. The presence of a unit owner in person at any meeting of the unit owners shall be deemed such waiver.

13. No Waiver. The failure of the Board of Directors or its contractors to insist, in one or more instances, upon the strict performance of any of the terms, covenants, conditions, or restrictions of the Declaration or By-laws, or to exercise any right or option herein contained, or to serve any notice or to institute any action shall not be construed as a waiver or relinquishment for the future, of such term, covenant, condition, or restriction, but such term, covenant, condition or restriction shall remain in full force and effect. The receipt and acceptance by the Board of Directors or its contractor of the payment of any assessment from a unit owner with knowledge of the breach of any covenant hereof, shall not be deemed a waiver of such breach, and no waiver by the Board of Directors of any provision hereof shall be deemed to have been made unless expressed in writing and signed by the Board of Directors.

14. Amendment of By-laws. These By-laws may be amended by an eighty (80%) percent affirmative vote of the association at a meeting duly called for such purpose. Upon such an affirmative vote, the Board of Directors shall acknowledge the amended By-laws, setting forth the fact of the required affirmative vote of the unit owners and the amendments shall be effective upon recording.

15. Severability. The provisions hereof shall be deemed independent and severable, and the invalidity or partial invalidity or unenforceability of any one provision or portion hereof shall not affect the validity or enforceability of any other provision hereof.

16. Captions. The captions herein are inserted only as a matter of convenience and for reference and in no way to define, limit or describe the scope of these Bylaws nor the intent of any provision hereof.

17. Effective Date. These By-laws shall take effect upon recording of the Declaration of Magnolia Court Condominiums, to which these are an Exhibit.
