(2) Beneficiaries: All policies shall be for the benefit of unit owners and their mortgagees as their interests may appear.

(4) Policies: A copy of all policies and endorsements thereto shall be deposited with the Board of Directors or with the Insurance Trustee appointed by the Board.

(5) Adjustments: Exclusive authority to adjust losses under policies hereafter in force on the property shall be vested in the Board of Directors or its duly authorized agent; 'provided, however, that no mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

(9) Policy Provisions: The Board of Directors or its duly authorized agent shall be required to make every effort to secure insurance policies that will provide for the following: (i) a waiver of subrogation by the insurer as to any claims against the Board of Directors, its duly authorized agent, the owners and their respective servants, agents and employees; (ii) a waiver of its right to repair or reconstruct instead of paying cash by the insurer; (iii) that the policies on the property cannot be cancelled, invalidated or suspended on account of the conduct of any director, officer, or employee of the Association or its duly authorized agent without the prior demand in writing delivered to the Association to cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, its agent, or any owner or mortgagee; and (iv) that any "other insurance" clause in the master policy excludes individual owner's policies from consideration.

B. No Partition: There shall be no judicial partition of the property or any part thereof, nor shall the Owners or any person acquiring any interest in the property or any part thereof seek any such judicial partition until the happening of the conditions set forth in this declaration in the case of damage or destruction or unless the property has been removed from the provisions of the Act.

C. Insurance Trustee:

(1) Trustee: When Trustee is referred to herein, the same shall mean the Board of Directors, unless the Board of Directors has named a Trustee. All insurance policies purchased by and in the name of the Association shall provide that the proceeds covering property losses shall be paid to the Board of Directors of the Association and/or the Trustee, if such Trustee has been appointed. If a Trustee resigns or is unable or unwilling to serve at any time, a majority vote of the Board of Directors shall appoint a successor Trustee. Immediately upon the receipt by the Association of such proceeds, the Association shall endorse the instrument by means of which such proceeds are paid and deliver or cause to be *de-*

livered such instrument to the Insurance Trustee.

Clerk, C., Ga.

(2) Duties of Trustees: The Insurance Trustee (other than the Board of Directors) shall not be liable for payment of premiums, for the of such repairs or reconstruction as hereinafter provided. Any proceeds remaining after defraying such costs shall be disbursed to the beneficial owners, remittance to unit owners and their mortgagees being payable jointly to them. This is a covenant for the benefit of any mortgagee of a unit and may be enforced by such mortgagee.

(b) If it is determined as provided herein that the damage or destruction for which the proceeds are paid shall not be repaired or reconstructed, such proceeds shall be disbursed to such persons as herein provided.

(c) Any and all disbursements of funds, whether such funds consist of insurance proceeds, special assessments, sales proceeds or any combination thereof, to be made by the Insurance Trustee for any purpose whatsoever shall be made pursuant to and in accordance with a certificate of the Association signed by the President or Vice President and attested by the Secretary setting forth whether or not the damage or destruction was to the common area for one or more units or both. If the damage or destruction is not to be repaired or reconstructed, said certificate shall direct that disbursements be made by the Insurance Trustee as by law provided in accordance with the terms of this section.

(d) If the damage or destruction is to the common area and is to be repaired or reconstructed, said Insurance Trustee may require the signature of any or all mortgagees known to said Insurance Trustee as it may in its sole discretion require and said certificate may direct that disbursements be made by the Insurance Trustee to those persons and in such amounts as may be specified therein or, in the alternative, said certificate may authorize the Insurance Trustee to make disbursements upon and pursuant to such written authorization as may be submitted to it by an architect or other persons named herein as having been employed by the Association to supervise such repairs or reconstruction.

(e) If the damage or destruction is to one or more units and is to be repaired or reconstructed, said Insurance Trustee may require the signature of any or all the mortgagees on such unit or units as the

Trustee in its sole discretion may require, and said certificate may direct

that disbursements be made by the Insurance Trustee to those persons and in such amounts as may be specified herein, or, in the alternative, said certificate may authorize the Insurance Trustee to make disbursements upon and pursuant to such written authorization as may be submitted to it by an architect or other persons named therein as having been employed by the Association to supervise such repairs or reconstruction.

(f) The Insurance Trustee (other than the Board of Directors) shall not incur any liability to any owner, mortgagee, or other person for any disbursements made by it pursuant to and in accordance with any such certificates or written authorizations. Nor shall the Insurance Trustee incur any liabilities to any owner or mortgagee by reasons of disbursements at the order of any court.

(D) Damage and Destruction:

(1) Loss Estimates: Immediately after the damage or destruction by fire or other casualty to all or any part of the condominium property covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this paragraph, means repairing or restoring the property to substantially the same condition in which it existed prior to the fire or other casualty with each unit and the common area having the same vertical and horizontal boundaries as before.

(2) Determination to Repair or Reconstruction: Any such damage or destruction shall be repaired or reconstructed unless at least eighty (80%) percent of the total votes of the Association shall decide within sixty (60) days after the casualty, not to repair or reconstruct. If, for any reason, the amount of the insurance proceeds to be paid as a result of such damage or destruction or if reliable and detailed estimates of the cost of repair or reconstruction are not made available to the Association within said period of sixty (60) days after the casualty, then such period shall be extended until such information shall be made available to the Association if such proceeds are paid; provided, however, that

said period of time in no event exceed ninety (90) days after the casualty. In the determination of the question of whether or not to repair or reconstruct, the mortgagee shall not have the right to participate in the determination as to whether the damaged property or destroyed property shall be repaired or reconstructed except in the following cases: (a) a unit owner being in default under the terms of the mortgage, (b) damage or destruction of the units mortgaged, (c) the common elements, the limited common elements, or (d) damage or destruction to more than fifty (50%) percent of the units. In such event, the mortgagee or mortgagees shall have an irrevocable proxy (so long as said mortgages shall continue as the mortgagee) to jointly exercise the vote of the unit owner in the determination of whether the damage or destruction shall be repaired or reconstructed. Unless written notice specifying the right to exercise the proxy as set forth above has been given to the Secretary of the Association, the owners are deemed and conclusively presumed to be authorized to vote on such matters. Should the Association determine in the manner described above that the damage or destruction shall not be repaired or reconstructed, then and in that event, (i) the property shall be deemed to be owned in common by the unit owners; (ii) the undivided interest in the property owned in common which shall appertain to each unit owner shall be the percentage of undivided interest previously owned by such owner in the common area; (iii) any liens affecting any of the units shall be deemed to be transferred in accordance with the existing priorities to the percentage of undivided interest of the unit owner in the property; and (iv) the property shall be subject to an action for partition at the suit of any unit owner, in which event the net proceeds of sale shall be paid to the Insurance Trustee. Said net proceeds of sale, together with the net proceeds of the insurance on the property, shall be considered as one fund, which, after payment of all expenses of the Insurance Trustee, shall be divided among all of the unit owners in a percentage equal to the percentage of undivided interest owned by each owner in the property, after first paying out the respective share of the unit owners, to the extent sufficient for the purpose, all liens on the undivided interest in the property owned by each unit owner. Prior to any

disbursements to unit owners, the holder of a first mortgage on any unit shall receive payment in full of the debt secured by such mortgage to the extent that such debt does not exceed an amount equal to (i) the insurance proceeds paid with respect to the unit covered by such mortgage; plus (ii) any sums which might otherwise be due the owner of such unit from the proceeds of the sale of the entire property. Disbursements to owners shall be made as provided for herein.

E. Repair and Reconstruction: If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall levy a special assessment against all owners in the condominium association, and against all owners in the case of damages to the common area, in sufficient amounts to provide funds to pay such excess cost of repair or reconstruction. Such assessments on account of damage to the common area shall be in proportion to the owners' share in the common area. Any and all sums paid to the Association under and by virtue of those special assessments provided for above to defray the estimated excess cost of repair or reconstruction shall be deposited by the Association with the Insurance Trustee. The proceeds from insurance and assessments, if any, received by the Insurance Trustee, when the damage or destruction is to be repaired or reconstructed, shall be disbursed as provided for herein.

14. Minor Repairs: Notwithstanding the foregoing provisions, in the event of damage by fire or other casualty to either the common area or a single unit covered by insurance written in the name of the Association and if the insurance proceeds initially offered or paid therefor are less than Two Thousand Dollars ($2,000.00) and the estimated cost of repairing such damage is less than twice the amount of such proceeds, then the instrument by means of which such proceeds are paid shall be endorsed by the Insurance Trustee and delivered to the Association and the damage shall be repaired in accordance with the following provisions:

A. Common Area: If the damage is confined to the common area, such insurance proceeds shall be used by the Association to defray the cost of such repairs. If the cost of such repairs is less than the amount of such insurance proceeds, the excess shall be retained by the Association or its

duly authorized agent and placed in the reserve maintenance fund or such other fund as may be established for the purpose of providing for the maintenance, repair and replacement of the common area. If the cost of such repair exceeds the amount of such insurance proceeds, such excess may be provided either by means of a special assessment levied by the Board of Directors against all owners in proportion to each owner's share in the common area or by means of an appropriation from the reserve maintenance fund or such other fund as may be established for the purpose of providing for the maintenance, repair and replacement of the common area as the Board of Directors, in the exercise of its sole discretion, may determine.

B. Single Units: If the damage is confined to a single unit, such insurance proceeds shall be used by the Association to defray the cost of such repairs. If the cost of such repairs is less than the amount of such insurance proceeds, the excess shall be paid jointly to the owner and his mortgagee, if any, who may use the proceeds as they alone may determine. If the cost of such repairs exceeds the amount of such insurance proceeds, such excess shall be provided by means of a special assessment levied by the Board of Directors against the owner of the damaged unit. Payments for repairs provided for in this subsection shall be made only after all such repairs have been completed and approved by the Association, the owner and his mortgagee, if any, which approval shall not be unreasonably withheld.

15. Association of Unit Owners. The operation of the condominium shall be an association known as the Summerwind Village Homeowners' Association, Inc. and, as above defined, which shall be organized and operated pursuant to the Act, this declaration, and the bylaws. Each unit owner shall be a member of the Association. Voting shall be on a percentage basis and the percentage of the vote to which each member shall be entitled shall be the percentage of his ownership in the common elements as stated in Exhibit "a:". All funds and property acquired by the Association shall be held by the Board in trust for the members in accordance with the provisions of this declaration and the Act.

16. Board of Directors

Declarant shall have the option at any time after the date of the filing of this declaration to turn the responsibility of electing all of the members of the Board of Directors to the Summerwind Village Homeowners' Association, Inc.

17. Common Expenses:

A. Budget: At the first meeting of the Board, and thereafter within thirty (30) days prior to the date of each annual meeting of the Association, the Board shall prepare a budget for the maintenance and operation of the condominium property for the succeeding calendar year, and shall estimate the amount of common expenses to be paid for such year. The amount of common expenses as determined shall be allocated and assessed by the Board among the unit owners in proportion to their respective percentages of ownership of the common elements as specified in Exhibit "r .

B. Common Expenses: The common expenses shall include, but ,not be limited to, the following:

(1) Fees and expenses of managing and administering the Association.

(2) Expenses of maintaining, preserving, operating, repairing or replacing the condominium property.

(6) Amounts determined by the Board to be reasonably required as working capital of the Association, for a general operation reserve, for a

reserve fund for replacements, and for deficiencies arising from unpaid assessments.

(7) Special assessments for capital improvements and working capital as provided for below.

C. Assessment. The Board shall promptly advise each unit owner in writing of the estimated amount of common expenses payable by him as so determined by the Board, and shall furnish him with a copy of the budget on which such estimate is based, and upon written request of owner or mortgagee shall furnish a copy of his mortgage. The amount so assessed by the Board against each unit for each calendar year shall be a lien against the unit owned by such owner as of January 1 of such year. If said estimated amount proves inadequate for any such year, including non-payment of any owner's assessment, the Board may, at any time, levy a special assessment which shall be assessed against the owners in proportion to their respective percentage of ownership of the common elements. Any such special assessment shall be a lien against the residence units as of the date specified in the notice of such special assessment. Each owner shall pay to the Association Treasurer such expenses in equal monthly installments on or before the first day of each month or at such other time and in such other manner as the Board shall designate from time to time.

D. Special Assessments for Capital Improvements, Reserves and Working Capital: In addition to the assessments provided for above, the Association may levy special assessments for the purpose of paying, in whole or in part, the cost of construction of any new improvements or reconstruction or replacement of any existing improvement within the common elements, including the costs of any fixtures or personal property relating thereto, and the Association may levy special assessments for an adequate reserve fund for the periodic maintenance, repair and replacement of the common elements which funds shall be maintained out of regular assessments or common expenses; provided that such assessment shall have been approved by the vote, of two-thirds of the owners voting at a meeting duly called for this purpose, written notice of which shall have been given in the manner specified in the bylaws of the Association. have an irrevocable proxy (so long as said mortgagee shall continue as the mortgagee) to jointly exercise the vote of the unit owner and shall be given notice for same as a unit owner. Unless written notice specifying the right to exercise the proxy has been given to the secretary of the Association, the owners are deemed and conclusively presumed to be authorized to vote on such matter.

Additionally, a working capital fund must be established for the initial months of the project operations equal to at least a two month estimated common area charge for each unit.

E. Collection: The Board shall take prompt action to collect any common expenses due from any unit owner which remain unpaid for more than ten (10) days from the due day for payment thereof. In the event of default by any unit owner in paying the common expenses as determined by the Board, such unit owner shall be obligated to pay interest at the legal rate on such common expenses from the due date thereof, together with all expenses, including attorney's fees, incurred by the Board in any proceeding brought to collect such unpaid common expenses. The Board shall have the right and duty to attempt to recover such common expenses, together with interest thereon, and the expenses of the proceedings, including attorney's fees, in an action to recover the same brought against such unit owner, or by foreclosure of the lien granted by the Act on the unit of such owner. The common expenses assessed against any unit with interest, cost and a reasonable attorney's fee shall be a lien upon such unit in accordance with the Act. Each such assessment, together with interest, cost and attorney's fee shall also be the personal obligation of the person who is the owner of such unit at the time the assessment fell due. Common expenses are used herein shall mean expenditures made or liabilities incurred by or on behalf of the owner's Association together with any assessment for the creation and maintenance of reserves.

F. Any assessment lien as provided for herein above shall be subordinate to any Veterans' Administration guaranteed mortgage. A lien for common expense charges and assessments shall not be affected by any sale or

Any such sale or transfer pursuant to a foreclosure shall not relieve the purchaser or transferee of a unit from liability for nor the unit so sold or transferred from the lien of any common expense charges thereafter becoming due.

18. The right of a unit owner to sell, transfer or otherwise convey his or her unit in a condominium shall not be subject to any right or first refusal or similar restriction.

19. Rights of Action: Summerwind Village Homeowners' Association, Inc. and any aggrieved unit owner shall be granted and is hereby granted a right of action against unit owners for failure to comply with the provisions of the declaration, bylaws, or amendments thereto, or with the decisions of the Summerwind Village Homeowners' Association, Inc. which are made pursuant to the authority granted to the Summerwind Village Homeowners' Association, Inc. in such documents. Each unit owner shall also have similar rights of action against the .

21. Conveyances, Easements

21.1 Every deed, lease, mortgage or other instrument may describe a unit by its identifying number set forth in Exhibit " Li" and in the floor plans, Exhibit V". Every such description shall be deemed good and sufficient for all purposes and shall be deemed to convey, transfer, encumber, or otherwise effect the unit owner's corresponding percentage of undivided ownership in the common areas and facilities, as a tenant in common, as set forth in Exhibit "a_", even though the same is not exactly mentioned or described.
